\$500 REWARD
Offered by the manufacturers of Dr. Sage's Catarach Remedy, for a case of Catarach in the Head which they cannot cure.

SYMPTOMS OF CATARRH—Dull, heavy headache, obstruction of the nasal passages, discharge falling from the nose into the throat, tickling, sneezing, mucous, purulent, black and putrid, the eyes are weak and watery; there is a ringing in the ears, deafness, hoarseness or loss of voice, there is a constant expectoration of offensive matter, together with a cold from above; the voice is changed and has a "nasal twang"; the breath is offensive; small and large abscesses there are, especially in the nose, with great depression, hacking cough and general debility. Only a few of the above named symptoms are likely to be present in any one case, but they can be present without the preceding half of the phenomena, resulting in consumption and death in the course. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild soothing and healing properties, Dr. Sage's Catarach Remedy cures the worst cases of Catarach, "Taste in the Head," Coryza, and Universal Headache. Sold in druggists everywhere; 50 cents.

Tasteless Agony from Catarach

Prof. W. Harkness, the famous mermanist, at Ithaca, N. Y., writes: "Some ten years ago I suffered until agony from catarrh of the nose. My family physician said it was an incurable disease, and that I must die within six months. I was so much in pain that every day, toward sunset, my voice would become as hoarse I could scarce speak above a whisper. The morning after breakfast I could scarcely speak, and almost strangled me. By the use of Dr. Sage's Catarach Remedy, in three months I was a well man, and the cure has been permanent."

Chastizing Hawking and Spitting

Thomas J. Rusling, Esq., 2002 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting. I had lost eight pounds and could not breathe through the nostrils. I thought nothing could be done for me. Luckily I was advised to try Dr. Sage's Catarach Remedy, and will say it is the best. It is the only safe remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, postpaid to any address, on receipt of a two-cent postage stamp.
